4 DISTRICT OF NEVADA

6 JEREMIAH OF THE SAMPLE FAMILY,

7 Plaintiff,

8 v.

9 CLEMENT LEROY OTTER,

10 Defendant.

Case No. 2:17-cv-02633-RFB-GWF

**ORDER**

11  
12 This Court has an obligation to determine its jurisdiction to hear a particular case. The  
13 Court has reviewed the Complaint in this case and finds that the Complaint has not stated or  
14 provided a basis for this Court's jurisdiction in this case. The Complaint references trespass  
15 without establishing how this alleged trespass would establish federal jurisdiction.

16 The Plaintiff has filed a Motion to Amend his Complaint [13]. The Court has reviewed  
17 this Motion and finds that the attached Amended Complaint also does not establish a basis for this  
18 Court's jurisdiction. The Court further finds that granting a further motion to amend the Complaint  
19 would be futile as Plaintiff has not set forth an intelligible basis for this Court to have jurisdiction.  
20 Indeed, in Plaintiff's filing for a Motion for Relief [14], a reference is made to a claim being filed  
21 and not a complaint as required by law.

22 For the reasons stated above,

23 **IT IS ORDERED** that this case is DISMISSED, and Plaintiff's Motion to Amend [13] is  
24 DENIED. All other pending motions or request for relief are DENIED as moot.

25  
26 DATED: January 3, 2018.
